

## **Notice of Public Meeting:**

**2/03/2023**

GGRC invites you to participate in a presentation on our efforts to increase access to services. We will discuss FY 2021-2022 Purchase of Service (POS) data and how it's used to identify differences in access and use of regional center funded services. This is also an opportunity for GGRC to hear ideas from the community on ways to improve culturally responsive service delivery and access to regional centered funded services.
