

Golden Gate Regional Center

2024 Annual New Service Needs Survey

This brief survey helps GGRC identify the services and supports that are most needed by the people we support and their families. While we cannot guarantee that these services will be made available with your help we can identify needed services and work to advocate for funding and develop services.

The Service Needs Survey is anonymous and is your opportunity to communicate to GGRC how best to serve members of the GGRC community.

Please use the link below or scan the QR code:
