

## **Community Resource Development Plan – Stakeholder Input**

GGRC has developed the following resource development priorities, based on stakeholder input, in order to create the Fiscal Year 2019/2020 Community Resource Development Plan:

- Dental Advocacy/Health Advocacy
- Health Relationship Education
- Medical/Behavioral Day Programs
- Affordable Housing
- Licensed Residential Homes

Resource development priorities were collected from an emailed survey sent to individuals receiving services from GGRC, family members/friends of individuals receiving GGRC services, GGRC social workers, and GGRC service providers. Additionally, a public meeting was held on April 24, 2019 at Support for Families in San Francisco, CA.

Any feedback on these resource development priorities can be emailed to [newservices@ggrc.org](mailto:newservices@ggrc.org).
