

GGRC's New Service Development Priorities for 2023-2024

Regional Centers have the opportunity to submit a Community Resource Development Plan (CRDP) proposal to California's Department of Developmental Services (DDS) in order to request start-up funding for new service development. Start-up funding awarded to regional centers is determined by DDS. Information guiding the development of this plan was provided by GGRC's stakeholders (individuals receiving services, families, service providers, community partners, etc.) and GGRC staff.
